WHEREAS, AMENDMENT 1, proposed by joint resolution of the Florida Legislature and entitled ***Partisan Election of Members of District School Boards***, which requires members of a district school board to be elected in a partisan election rather than a nonpartisan election and will apply beginning in the 2026 elections;

WHEREAS, AMENDMENT 2, proposed by joint resolution of the Florida Legislature and entitled ***Right to Fish and Hunt***, which preserves forever fishing and hunting, including by use of traditional methods, as a public right and preferred means of responsibly managing and controlling fish and wildlife;

WHEREAS, AMENDMENT 3, proposed by citizen initiative and entitled ***Adult Personal Use of Marijuana***, which legalizes recreational marijuana throughout Florida in order to benefit powerful marijuana special interests, while putting children at risk and endangering Florida's family-friendly business and tourism climates;

WHEREAS, AMENDMENT 4, proposed by citizen initiative and entitled ***Amendment to Limit Government Interference with Abortion***, which dramatically expands and legalizes the systemic killing of unborn babies in the state of Florida, potentially up until birth under the guise of "protecting women's health", and destroys the ability of the people's elected representatives to pass common-sense protections for women and unborn babies, and the RPOF State Executive Committee has officially declared its opposition to this misleading amendment;
